## **Hardin's Georgia Northwestern Technical College Expansion Team Celebrates Topping Out**

*Hardin Construction tops out on the Gordon Campus classroom building.*

**ATLANTA, GA** (Jan. 7, 2011) — Hardin Construction, one of the nation's leading construction services firms, announced the "topping out" of the \$8.5 million classroom building at Georgia Northwestern Technical College in Calhoun, Ga., signifying the project has reached its maximum height.

The project entails a 47,751 square-foot, 2-story classroom and conference center building including a 500-seat conference room, classrooms, media center, laboratories, bookstore and kitchen.

Georgia Northwestern Technical College's classroom building, owned by Georgia State Financing and Investment, will complete in time for students attending in the fall.

The architect of record is The Architecture Group, Inc. in Atlanta.

### **ABOUT HARDIN CONSTRUCTION:**

Celebrating 65 years of excellence, Hardin Construction Company, LLC is one of the nation's leading construction services firms, providing unequalled expertise for projects of broad scope and complexity through its culture of integrity, innovation and opportunity. With capabilities in general construction, construction management, design-build and renovation, Hardin is a leader in green building and sustainable practices and is recognized nationally for their safety practices.
