TAMPA, FLA. (May 25, 2011) — Hardin Construction Company is pleased to announce it was recently awarded a two Associated Builders and Contractors 2011 Excellence in Construction Eagle Awards (Florida Gulf Coast Chapter) and a Community Design Award of Excellence from the Hillsborough County City-County Planning Commission.

Hardin was awarded Sub-Contractor Project of the Year Eagle Awards for both the Tampa International Airport Baggage Claim East Expansion and the Tampa International Airport Cargo Service Road and Tunnel.

The best construction projects were on display at the Associated Builders and Contractors “Excellence in Construction” Award Ceremony. More than 400 people attended the event April 8 at the Hyatt Regency Hotel in Tampa. Every other year, the Gulf Coast Chapter recognizes the best work of general contractor and subcontractor members.

“ABC members continue to build dynamic projects that provide a positive impact to our communities,” said ABC President/CEO Steve Cona Jr.

The Hillsborough County City-County Planning Commission recognized 20 projects for their contributions to the quality of life in Hillsborough County at the 29th Annual Community Design Awards held April 21 at the Straz Center for Performing Arts in Downtown Tampa. One of those 20 projects praised was Hardin’s Grand Central at Kennedy, which received a Community Design Award of Excellence in the Urban Infill Category.
