## **Hardin Construction Forms Team to ‘Race for the Cure’**

**RALEIGH, NC** (June 17, 2011) — Hardin Construction, one of the nation’s leading construction services firms, joined with the community of Raleigh to participate in the 15th annual Susan G. Komen NC Triangle Race for the Cure.

Hardin’s 31 participants headed out to Meredith College, with more than 25,000 other supporters, where they were able to raise more than \$7,400 contributing to the \$1.8 million raised during the event.

“Community service is part of the culture of our company,” said Tom Booth, vice president and manager of Hardin’s Raleigh office. “We are proud to raise support and awareness for a cause that hits close to home for so many.”

With a commitment to its communities, over the past two decades, Hardin employees have raised and contributed more than \$2 million to the March of Dimes, which has recognized Hardin among its Top Ten Corporate Partners in Georgia. And the Hardin Associates Charitable Foundation—established in 2007 and operated exclusively by Hardin employees—has contributed more than \$150,000 in grant awards to charitable causes. Historically, about 75 percent of Hardin associates have served on their own time as community volunteers.

Another recent display of Hardin’s culture of compassion and community involvement, to celebrate its 65th Anniversary, the associates in Raleigh volunteered at the Inter-Faith Food Shuttle to support the Greater Triangle area.

### **ABOUT HARDIN CONSTRUCTION:**

Celebrating 65 years of excellence, Hardin Construction Company, LLC is one of the nation’s leading construction services firms, providing unequalled expertise for projects of broad scope and complexity through its culture of integrity, innovation and opportunity.
