Scott Lyons Named Vice President of Hardin Construction

ORLANDO, FL (April 18, 2011) — Hardin Construction Company, LLC announces it has appointed industry veteran Scott Lyons to the position of Vice President.

Lyons, who has been with Hardin Construction for 13 of his 15 years in the industry, will continue to work out of Hardin's Orlando, Florida branch office, where he served most recently as construction manager.

A native of Atlanta who grew up in St. Petersburg, Florida and earned an undergraduate degree in building construction from the University of Florida, Lyons' tenure with Hardin dates to 1998 and includes contributions to such notable projects as Mall of Georgia, Marriott Barony Beach Resort at Hilton Head, SC and, most recently, Disney's Art of Animation Resort in Bay Lake, Florida.

"Scott has been a key contributor to our Orlando operation and his leadership is well-established and respected throughout the Hardin organization," said Hardin Chairman Brantley Barrow. "We brings an important new dimension to the leadership team."

Hardin Construction is currently making a number of changes and improvements to sharpen the company's service-delivery operations.

Said Barrow: "We continue to embrace the principles and values that have anchored Hardin for 65 years, even as we introduce new people and personnel assignments as well as new ideas and initiatives to ensure that Hardin remains the smart, innovative company that's respected for providing industry-best services and solutions."
